INDEPENDENT ACCOUNTANT'S COMPILATION REPORT

To the Officers and Board of Directors
Tangipahoa African American Heritage Museum and Black Veterans Archive
Hammond, Louisiana

I have compiled the accompanying statement of financial position-modified cash basis of the Tangipahoa African American Heritage Museum and Black Veterans Archive (a nonprofit organization) as of December 31, 2012, and the related statement of activities-modified cash basis for the year then ended. I have not audited or reviewed the accompanying financial statements and, accordingly, do not express an opinion or provide any assurance about whether the financial statements are in accordance with the modified cash basis which is a comprehensive basis of accounting not in accordance with accounting principles generally accepted in the United States of America.

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting and for designing, implementing, and maintaining internal control relevant to the preparation and fair presentation of the financial statements.

My responsibility is to conduct the compilation in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants. The objective of a compilation is to assist management in presenting financial information in the form of financial statements without undertaking to obtain or provide any assurance that there are no material modifications that should be made to the financial statements or assurances regarding internal controls.

The organization is exempt from federal and state income tax in accordance with Internal Revenue Code Section 501(c)(3) and the state's revenue code. Therefore, no provision or liability for federal and state income taxes has been included in these financial statements.

Management has elected to omit the statement of cash flows, the current portion of long-term debt, and substantially all of the disclosures required by accounting principles generally accepted in the United States of America. If the omitted disclosures were included in the financial statements, they might influence the user's conclusions about the Organization's financial position, change in net assets, and cash flows. Accordingly, these financial statements are not designed for those who are not informed about such matters.
